This award is open to mechanical repair businesses. In accordance with the criteria, entries for this award are judged on outstanding achievements in this specialised sector of the motor industry.

MTA NSW New Apprentice of the Year

“New Apprenticeships” provide a pathway to a nationally recognised qualification. “New Apprenticeships” is the term applied to both apprenticeships and traineeships. Apprenticeships and traineeships are jobs that combine work with training. Work based training for apprentices and trainees is provided by employers at the workplace with additional structured training delivered by TAFE or a Register Training Organisation such as MTA NSW. You must be in your 2nd or 3rd year to apply for this award.

MTA NSW Green Stamp Environmental Member of the Year

MTA gives this award to those members who demonstrate a commitment to Workplace Environmental matters and best practices. You must have been Green Stamp accredited to enter this award.

MTA NSW Work Health & Safety Member of the Year

MTA gives this award to those members who demonstrate a commitment to Work Health & Safety matters in the work, and have taken substantive moves to meet Legislative compliance.

MTA NSW Metropolitan Member of the Year

This award goes to a MTA metropolitan member for continued support of the Association and the industry by promoting the MTA to other participants in the industry and demonstrating outstanding leadership within the industry through professional practices and high quality customer service.

MTA NSW Country Member of the Year

This award goes to a MTA country member for continued support of the Association and the industry by promoting the MTA to other participants in the industry and demonstrating outstanding leadership within the industry through professional practices and high quality customer service.
